

I am writing to demand that you stop Sinclair Broadcasting Group from airing it's partisan anti-Kerry film this Friday evening. Whether it is called "Stolen Honor" or "A POW story: Politics, Pressure, and the Media" is not the issue. Renaming it does not change its content, nor Sinclair's intent.

Sinclair Broadcast Group's recent actions have illustrated the dangers to our society caused by media consolidation and are demonstrating corporate thuggery at it's worst.

Sinclair uses the public airwaves free of charge, and is OBLIGATED BY LAW to serve the public interest. Partisan propaganda such as they intend to air does the public a huge disservice, as well as breaks the law.

Sinclair's actions show why we need to strengthen media ownership rules, not weaken them. They show why the license renewal process needs to involve more than a returned postcard. The FCC has a responsibility toward the good of our society. Please

stop this hijacking
of OUR airwaves, and
stop it immediately.

Thank you.
